Please have your supplies with you on September 2nd, 2025

Please use a permanent marker/Sharpie to label all supplies with your child's name or initials before the first day of school. This will help your

child to stay organized and keep his/her items from getting mixed up or lost.

Also, please be sure that ALL pencils and pencil crayons are sharpened before coming to school. The first days of school are extremely busy and this will help your child to stay on task.

Please DO NOT bring other items to school, as items can be lost or be distracting (for example; white out, special pens, toys etc.)

The students will be encouraged to use their supplies as economically as possible. All extra supplies will be stored in a box and will only be used if needed. All extra supplies will be sent home at the end of the school year.

Thank you for your help!
